Dear Sir:

Enclosed is the following item for filing in connection with the above-referenced Patent Application:

1. The book, "Automatic Control Systems," by Benjamin C. Kuo, 4th Ed. 1982. The book was cited in an IDS filed with the USPTO on February 15, 2002, and the cited pages, pp. 471-483 were attached. However, the Examiner has requested a copy of the entire book, and therefore, a complete copy of the book is submitted herewith.

Applicant notes that this book was purchased in used condition. The marks were made by a previous owner and were not made by Applicant's representative. To the best of our knowledge, the marks were not made by the client nor the inventors. We have not reviewed the book or the marks for their relevance.

Applicant believes that no fee is due with this filing. The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application) to Deposit Account No. 08-2025, under Order No. 10992091-1.

Dated: April 28, 2005

Respectfully submitted,

By
